Vostok research station

Snake Island

Howler monkey

AFRICA

With 54 nations, Africa has the most countries of any continent on Earth. You'll have heard about Africa's record-breaking wildlife, from its huge elephants to its tall giraffes and super-speedy cheetahs. But you'll also find many other record-breakers, from natural marvels such as the world's biggest waterfall to lesser-known wonders like the largest mud building and the most enormous pink lake.

North Atlantic Ocean

Ascension Island

South Atlantic Ocean st Helena
