STAY SAFE!

Meeting animals is great fun if you follow these guidelines to keep you safe:

- Always treat animals kindly.
- Move slowly and quietly around animals so you do not scare them.
- Always ask for the owner's permission before touching a pet and always follow the owner's advice on how to act around their pet.
- Don't go near any wild animals unless a grown-up says it is ok.
- If you find an animal that needs rescuing, don't touch it or go near it. Instead, ask an adult.
- Never chase wild animals.
- Don't touch anything that comes from an animal such as fur, feathers, shed skin or poo unless a grown-up says it is safe.
- Always wash your hands with soap and water after touching anything that comes from an animal.
- Don't feed wild animals.
