A soft, painterly illustration of a man and a young girl standing by a window at night. The man, with dark hair and a light beard, wears a light blue short-sleeved shirt and brown trousers. He stands behind the girl, his hands resting gently on her shoulders. The girl has long dark hair and is wearing an orange short-sleeved shirt under a light blue dress. She is holding a brown teddy bear with a pink bow around its neck. Both are looking out the window with expressions of quiet contemplation. The window looks out onto a dark night sky filled with soft, out-of-focus lights, suggesting a city or a starry sky. A large, textured pillar is visible on the left side of the frame. The overall mood is peaceful and intimate.

*T*here's a full moon out tonight.
