I dedicate Siha Tooskin Knows the Love of the Dance to my little Grass dancer, my son Colt. May the Creator guide your steps in this beautiful dance we call life.

—CHARLENE BEARHEAD

We dedicate the Siha Tooskin Knows series to the storytellers who taught us. To those who guided us and shared their knowledge so that we might pass along what we have learned from them to teach children. Their stories are a gentle way of guiding us all along the journey of life.

In that way we tell these stories for our children and grandchildren, and for all children. May they guide you in the way that we have been guided as these stories become part of your story.
