

discovering Faith

## THE GATHERING PLACE SERIES

A project guided by Daryl L. Smith

**The Gathering Place:** a series of books for people interested in exploring faith issues in a non-threatening setting. Each book uses questions, Bible selections, discussion, and group service as means for this exploration.

**Don•Q•Dox:** a resource-creation label of The Orlando Fellowship—  
*an incarnational, missional-ministry community.*

**Don•Q**—The fictional knight *Don Quixote* (Miguel de Cervantes, 1605), whose most famous adventure includes meeting the tavern prostitute Aldonza and calling her to become the beautiful Dulcinea.

**•Dox**—Documents/tools/vehicles for discovery.

As the name implies, we are on a quest to discover life as it was meant to be and invite others to join that quest. We believe that God's image is planted deeply within each of us, but most times we cannot hear the call of the "impossible dream" without the company of others who can see in us things we don't see in ourselves.
