About the author

Charles Forsythe is a Systems Architect who works primarily in Java. Since graduating from the Massachusetts Institute of Technology in 1987, he has developed solutions for industries including Telecommunications, Health Care, Travel, Defense, and more. The projects ranged from embedded systems to global e-commerce systems. In the e-commerce sphere, Charles has used FreeMarker in several large projects. He currently lives in Saint Louis, Missouri.

I would like to thank my wife, Weasle, who also lost her weekends to this project.

About the reviewer

Sujala Velagapudi has years of development and project management experience, primarily in enterprise Java projects. She has worked on several large projects featuring FreeMarker. Sujala Velagapudi has worked in the Travel, Entertainment, and Health Care industries. Some of the notable companies are Sabre, Expedia, Yahoo!, and Availity.

> I would like to thank Charles for writing this much needed book on FreeMarker.
