Feel the wind blow through your hair,

A vibrant, stylized illustration of a landscape. In the foreground, a green hillside is covered in yellow stripes, suggesting a field of tall grass or crops. At the base of the hill, there are small blue and red flowers. In the middle ground, four wind turbines stand on a ridge. To the right, a small cluster of green trees is visible. The sky is a deep blue with large, white, fluffy clouds. A single bird with orange and blue plumage is flying in the sky, and several other birds are visible in the distance. The overall style is bright and cheerful, with a focus on nature and clean energy.

as you breathe the clean, fresh air.

Run barefooted through the grass.  
Watch the clouds change as they pass.
