

THE SCHOLASTIC PROJECT

PAST IMPERFECT

Past Imperfect presents concise critical overviews of the latest research by the world's leading scholars. Subjects cross the full range of fields in the period ca. 400—1500 CE which, in a European context, is known as the Middle Ages. Anyone interested in this period will be enthralled and enlightened by these overviews, written in provocative but accessible language. These affordable paperbacks prove that the era still retains a powerful resonance and impact throughout the world today.
