SPECIAL BIBLIOGRAPHIC NOTES

*related to special journal issues (separates)
and indexing/abstracting*

- ☐ indexing/abstracting services in this list will also cover material in any "separate" that is co-published simultaneously with Haworth's special thematic journal issue or DocuSerial. Indexing/abstracting usually covers material at the article/chapter level.
- ☐ monographic co-editions are intended for either non-subscribers or libraries which intend to purchase a second copy for their circulating collections.
- ☐ monographic co-editions are reported to all jobbers/wholesalers/approval plans. The source journal is listed as the "series" to assist the prevention of duplicate purchasing in the same manner utilized for books-in-series.
- ☐ to facilitate user/access services all indexing/abstracting services are encouraged to utilize the co-indexing entry note indicated at the bottom of the first page of each article/chapter/contribution.
- ☐ this is intended to assist a library user of any reference tool (whether print, electronic, online, or CD-ROM) to locate the monographic version if the library has purchased this version but not a subscription to the source journal.
- ☐ individual articles/chapters in any Haworth publication are also available through the Haworth Document Delivery Service (HDDS).
