Word prediction and word
probability exemplified in
searches over a pharmaceutical
database

by

Marc Bohnes

A thesis submitted in partial fulfillment for the
degree of Bachelor of Arts

in the

Faculty of Linguistics and Literary Studies
Department of *Anglistik* - British and American Studies

September 2009

“But it must be recognized that the notion ”probability of a sentence” is an entirely useless one, under any known interpretation of this term.”

Noam Chomsky (1969, p. 57)
