

An illustration of a mermaid with a green and blue patterned tail and top, looking surprised with her hands clasped near her mouth. On her head is a large, dark, porous rock. Perched on the rock is a white seagull with a yellow beak. The rock is decorated with a yellow starfish, a pink hibiscus flower, and a spiral shell. The background is a vibrant blue water scene with several stylized fish, including a large blue fish with a yellow eye and a smaller blue fish. The overall style is colorful and whimsical.
