## **ACKNOWLEDGEMENT**

I would like to express my deepest gratitude to my major advisor, Dr. Jema Haji for his advice and guidance in the formulation of the research proposal as well as reshaping of the survey questionnaire and for his invaluable comments in my thesis work. He helped me without any reservation, and without his support the thesis would have not been materialized. I also extend my thanks to Dr. Zelalem Tefera for his constructive comments and suggestions in the formulation of the research proposal and during the write-up of the thesis.

Moreover, I wish to convey my heartfelt thanks to all the staff of school of graduate studies, office of Registrar, University Administration and Library, and Department of Rural development and agricultural economics for the contribution and proper handling of administrative and academic matter. And also I would like to express my appreciation to my all friends for their encouragement and support they have given me.

Finally, I would like to pass my deepest gratitude to all of my families for covering all the required costs of the M.Sc. program including tuition fee, research fund, computer and other facilities. I sincerely appreciate office friends who assisted me during the data collection period.
