Acknowledgment

“All things were made by him: and without him was made nothing that was made.”

John 1:3

First and foremost, I would like to give my thanks for the Almighty God and St. Virgin Mary for the gift of life, continued love and for being guardians and with me for each and every activity of my life. I am also sincerely grateful for Mr. Zelalem Yibrah, for his invaluable assistance and guidance during the work of my study. I would like to say thank you to my lovely wife Derartu Diriba and my child Nathan Tesfaye for their endurance and patience during my stay in university and I would like to dedicate this work to you.

I am also grateful to employees of Urban Land Development and Management Agency and Revenue Authority of Mettu town for helping me during the data collection activities and for their timely assistance. Similarly, I would like to thank property owners for their willingness and commitment in providing valuable feedbacks by responding to the questions.

Last but not least, my deepest gratitude goes to Mettu town administration and Ethiopian Civil Service University (ECSU) for providing me a full scholarship opportunity to attend my MSc program. Finally, I would like to thank you, my family, best friends, and classmates especially Ato Mihiretu Sahilu and everybody who was important to the successful realization of my thesis that I could not mention personally one by one. You all are dear to me. Thank you.
