## Publisher's Note

---

The current decade has firmly established V&S Publishers as one of the Leading Publishers of General Trade Mass Appeal Books across popular genres along with Academic Books for School Children. Having been in publishing trade for over 40 years, we understand the need of the hour when it comes to Books. After successfully publishing around 600 titles in the last decade and establishing a pan India network of booksellers & distributors including ecommerce platforms – Amazon, Flipkart etc; we determined after a nation-wide market research in tier 1, 2 and 3 cities that preparatory materials for status-acquiring OLYMPIAD BOOKS is the need of the hour.

And in true spirit, the Olympiad books on Science, Maths, English and Cyber published for classes 1 to 10 was picked by students off the shelf in no time. It acquired the 'Bestseller' image. Encouraged by this huge acceptability of our Olympiad Series among parents, students and booksellers alike, we at V&S Publishers decided to take PREPARATION to the next level by bringing out another handholding masterpiece – Olympiad Sample Papers.

These Sample Papers are the virtual replicas of the actual exam papers.

Yes! These Sample Papers are the virtual replicas of the actual exam papers. Inclusion of two sets each for Science, Maths, English and Cyber subjects from classes 1 to 10 in respective books are believed to be adequate to prepare students mentally for 'live exam conditions.' Anything else would have been 'under-preparation' or over-preparation'

You will hardly be able to differentiate the Sample Papers from the Actual Exam Papers. All this has been made possible by the people who have been in their respective fields for years – coaching and guiding students to succeed in this vital exam.

*P.S. While every care has been taken to ensure correctness of content, if you come across any error, howsoever minor, anywhere in the book, do not hesitate to discuss with your teachers while pointing that out to us in no uncertain terms.*

We wish you All the Best!
