About the Author

Dwight Spivey

is the author of several Mac books, including *Mac Bible* and *Mac OS X Leopard Portable Genius*. He is also a software and support engineer for Konica Minolta, where he specializes in working with Mac operating systems, applications, and hardware, as well as color and monochrome laser printers. He teaches classes on Mac usage, writes training and support materials for Konica Minolta, and is a Mac OS X beta tester for Apple. Dwight lives on the Gulf Coast of Alabama with his wife, Cindy, and their three beautiful children, Victoria, Devyn, and Emi. He studies theology, draws comic strips, and roots for the Auburn Tigers in his ever-decreasing spare time.

To my wife, Cindy: I love you very much.
I told you marrying a geek would pay off!

Acknowledgments

Super thanks

to super agent, Carole Jelen McClendon. I'm so glad I fell into your sphere!

Sincere appreciation goes to Cricket Krengel, Sarah Cisco, and Jody Lefever, my editorial manager, project editor, and acquisitions editor, respectively. Thank you all for being so good to me from start to finish of this book.

Thanks and salutations go to my technical editor, Brian Joseph, for his expertise and keeping me honest.

Thank you to all the wonderful people who helped get this book from my Mac to the store shelves. You are too numerous to mention here, but I extend my heartfelt appreciation to each one of you for your hard work. You've all done a fantastic job!

I cannot forget to thank my kids, Victoria, Devyn, and Emi, who are so good to put up with Dad's absences when he's writing these tomes. Thanks as well to Mom, Dad, Kelli, Keith, Kelsey, Keaton, Kelen, and Kooper. I love you with all my heart!

Contents

chapter 1

How Do I Get Started with Snow Leopard?

2

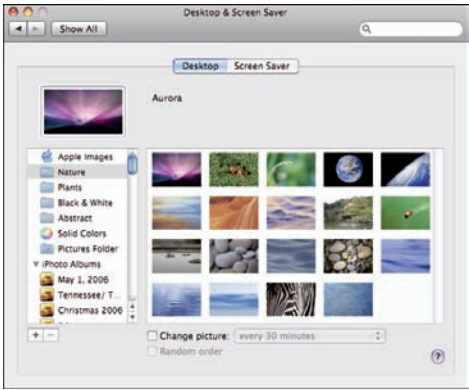

System Requirements for Installing Snow Leopard	4
What's New in Snow Leopard?	4
Choosing an Installation Method	5
Upgrading to Snow Leopard	5
Custom Installations	7
Advanced Installation Options	8
Partitioning your hard drive	8
Installing the Xcode Developer Tools	9
